

## INSURANCE CLAIMS GUIDE

Step-by-step guide to filing insurance claims after a property disaster:

1. Document all damage with photos and videos.
2. Contact your insurance provider as soon as possible.
3. Get an estimate from a certified restoration company like Master Restore.
4. File your claim and keep a record of all communications.
5. Follow up regularly with your insurance adjuster.
6. Begin restoration once approval is granted.
